PRESIDENT'S REPORT

ISHBEL MOODIE
President

Resilience. That is the first word that springs to mind when I think of the 2022 season. It is the ability to bounce back from setbacks, and we saw a lot of resilience this year.

We saw it in our children and young people who came back to footy in large numbers – over 10,000 of them. We saw it in our coaches, our volunteers, our umpires, our club administrators and of course our families. It was wonderful to see the dedication and resilience of our YJFL community to ensure we made it through a full season for the first in three years.

2022 was also the league's first year operating from our new home at Ford Park. This is a wonderful space with first class facilities for male and female players, coaches, umpires, and our community and of course the beautifully designed and maintained oval. We are grateful to Manningham Council, Banyule City Council, the North East Link Project and all those who made the move to Ford Park possible—we are delighted to be part of the local community. We hope our players, families, volunteers, clubs and umpires enjoyed—and continue to enjoy—Ford Park too.

This year we saw some changes to our staff at YJFL. We farewellled Shaun Dowling who has been a familiar face to our clubs over the last eight years, stunning everyone with his intricate knowledge of our fixturing and grading and overall footy ops. Thank you, Shaun, for your dedication to ensuring our almost 500 teams

were able to play each week and for your service to the league. Thank you also to Aidan Paus. Aidan has done an outstanding job developing and executing our marketing and communication strategy to help expand our YJFL audience. Aidan we all wish you well in your new role as Marketing Coordinator for Richmond Football Club. Thank you also to Tim Murray our outgoing CEO. The YJFL would also like to acknowledge Life Member, Anthony Grace, who sadly passed away this year. We extend our condolences to Anthony's family and friends.

We also welcome some new members to our executive team this year. We are delighted to welcome Aaron Bailey as our new CEO, Cassie Paveluc as our new Football Operations Manager, and Will Michael as our new Marketing Coordinator.

Aaron comes to us with a wealth of knowledge and experience in junior football as a CEO, administrator, coach and umpire. He brings many ideas about how we can continue to make junior football relevant and attractive to our children and young people. He has already started working in consultation with our Board and Clubs to ensure all voices are heard, when developing and implementing our upcoming Strategic Plan. Cassie joins us from an advertising and sales background and has significant experience in community sport operations roles as a basketball Grading Secretary and President. Will joins our team having previously worked in a media and communications role with AFL Victoria, and he

has a strong understanding of the community football landscape. Welcome Aaron, Cassie and Will.

Looking to the future, the league will continue to deliver a high quality junior footy competition to our community. We will focus on best practice to ensure the service we deliver to our clubs, families and players is the best it can be. We are very conscious of the huge role our clubs, families and volunteers have played and aim to put initiatives in place to reduce the administrative and financial burden for our key stakeholders. Play HQ and Officials HQ have aided in this process, but we want to develop this theme further and are looking at additional ways of using technology to help clubs.

With the rapid increase in inflation in recent months, and the associated financial stress that this can bring, we have made a conscious effort to keep our registration fees at the same level as 2022. We don't want cost to become a barrier to player participation.

We cannot underestimate the vital role sport plays in building both mental and physical health. It is our aim to have a safe and inclusive space where our children and young people can flourish; where they can learn new skills, make new friends, have fun playing footy and develop an enduring love of the game.

Thank you to everyone and looking forward to 2023 already.

FOOTBALL OPERATIONS

CRAIG LAKE

Vice President and Football Director

Football was back in 2022! After a couple of COVID interrupted years, we got through an extended 16 round home and away season, plus three weeks of finals.

For the first time since 2019, we ran our full Interleague program, Under 8 and 9s days, Under 10 Lightning Premiership, Under 12 Futures, Team of the Year matches and League Awards night. Most importantly, across the season we saw plenty of great games, great friendships and great fun being had by all.

We were delighted to provide a competition for 474 teams, made up of 10,508 registered players. In total, we had 46 teams become YJFL Premiership winning teams as Grand Final day returned to the YJFL.

Behind the scenes there were many changes that will help keep the YJFL at the forefront of junior football.

We migrated to the new PlayHQ platform this year, replacing the SportsTG/GameDay platform that we've used for over a decade. Ford Park became the new home of the YJFL, replacing Bulleen Park which had served the League so well for so long.

Ford Park provided us with a fantastic playing surface for games every Sunday, housed a number of other League run events, and of course became our new administration base.

We were fortunate to work with AFL Victoria to participate in an "Auskick to Club Football" under 7 pilot in August and September which we hope will provide clubs with a strong platform to build their teams for Under 8 competitions in 2023.

All of that said, we acknowledge coming out of two interrupted seasons, there are several things that we can focus on for improvement next year. A key priority for us is to work with Colbrow to return our medic coverage to every ground, for every game. Not only do Colbrow provide support for club trainers on match day, the information they collect enables the YJFL to track data relating to injuries on match day.

Growing our umpire numbers will be another key focus going into 2023. While COVID took a season and a half away from our players, it also deprived our umpires of match experience in that time too, meaning we had more umpires with less match experience needing to fill games this year. We would like to thank the clubs who supported us by providing club umpires where we were short, or by promoting umpiring to your playing cohort. Our umpire numbers grew as the year went on, and we were able to fill almost every match by the end of the home and away season. We have about 100 umpires who also play in the YJFL and it's something we would encourage all clubs to continue to promote to your players ahead of the 2023 season. Thank you also to BJS Insurance for their sponsorship of our umpires - as part of our sponsorship, all umpires received a free umpiring shirt this year with the BJS logo on the back to wear while umpiring YJFL matches.

It was a busier year on the Conduct front than we would have liked, and we are looking at a number of changes to officials and spectator behaviour rules ahead of the 2023 season, as well as some strong campaigns around enhancing the match day experience for our players and our umpires.

We always receive plenty of feedback relating to Fixturing and Grading. We anticipate a re-introduction of the YJFL grading committee armed with a full season of match performance for all competitive grades in 2023. We also used new fixturing software in 2022 and I am confident that the refinements made to it during our 2022 fixturing experience will hold us in good stead for next year and beyond. For the first time, we ran a Grading Pool in Under 11, 12 and 13 competitions. The feedback we received on this was positive, and it is something we will discuss with clubs ahead of the 2023 season to see if they are keen to continue with next year.

The City of Banyule have welcomed us as tenants at Ford Park this year, and we appreciate their support as well as that from the other eight councils that are home to YJFL Clubs. Facilities are continually being improved to make our clubs safer for our players, and more comfortable places to be around for our community.

I would like to acknowledge the contribution that the YJFL administration team made this year.

Every staff member took on additional responsibilities throughout the year to get us through the season and their hard work and

dedication was much appreciated. I'd also like to thank Theo and Ryan from PA Group who assisted with the fixturing software, and Dani and the team at PlayHQ who went above and beyond - often late in the evening - to get our fixtures up on the website.

It would be remiss not to acknowledge the contribution that Shaun Dowling made to the League in his time as Football Operations Manager at the YJFL - we wish him all the best in his future endeavours.

Every Sunday in winter we see almost 250 matches across a large geographical area of Melbourne played every Sunday - that only happens because of the amazing work done by our club committees, club volunteers and parents.

To every one of you - thank you for the role you play in putting our teams on the ground.

The end of the 2022 season will mean it's the end of the road for some players and their families who will have finished their time in junior football. We hope you have enjoyed your journey in the Yarra Junior Football League and that you continue to participate in football at senior level in future years.

Like everyone, I am already looking forward to a successful 2023 YJFL season.

TALENT & DEVELOPMENT

BRAD JAMISON
Commercial & Operations Manager

It was a busy year for our YJFL Talent Development programs in 2022 as football made a triumphant return.

We started in February and March, conducting trials for our Under 13, Under 14 and Under 15 Yarra Magpies squads. With no football played in 2020, and a limited season in 2021, we trialled a larger number of players than normal, and the job of cutting final squads back to just over 50 players in each group was not an easy task for our coaches. We continue to be amazed at the depth of playing talent across the YJFL, particularly in these age groups given the amount of football they missed over the past two years.

For the first time since 2019, our Under 14 Boys, Under 15 Boys and Under 15 Girls took part in the AFL Victoria Metropolitan Development Series matches over the Queen's Birthday weekend. These matches provided the squads with an opportunity to challenge themselves against other metropolitan leagues, and gave our NAB League pathway partners an opportunity to see the talent that will be progressing into their system over the next few years.

While training and matches forms an important part of the Yarra Magpies Academy, it is also important that the program provides the players with experiences away from the football field. Our Under 15 Boys avoided a wintry night and took part in a SALT session, the 'Draft

Combine' held in the April school holidays for our Under 14 and Under 15 players was well received again with the players undertaking a range of testing such as the 20m, agility, vertical leap and Yo-Yo, and our expanded media presence with the assistance of GameFace also proved popular across all age groups.

I would like to thank our Marketing Coordinator Aidan Paus for the outstanding work he did with GameFace this year to give our representative football such a presence on our social media platforms.

Some of our Yarra Magpies Academy age groups played matches against the Mornington Peninsula Junior Football League, as did as our Under 16 Boys and Under 16 Girls squads.

Our Under 16 Girls also had a second match against a Riddell District FNL squad. We appreciate both leagues partnering with us and we look forward to more interleague matches against them both in the future.

We were given the opportunity to take part in an Under 16 Boys match against the SMJFL at Marvel Stadium as a curtain raiser to the Round One St Kilda v Collingwood match. This was a wonderful experience for the 24 players who took part, with many of those boys already representing Vic Metro at U16 level or their NAB League Clubs this year.

The Under 12 Futures program made a return to our schedule after two years, taking place over four weeks during in October. We had 117 players take part, with AFL player appearances from Matt Rowell, Noah Anderson and Ollie Dempsey proving popular with the players.

The Under 12 Futures is a starting point for players in this age group, with the experience of training with players from different clubs helping to familiarise themselves with what a representative squad will look like over the next few years if they happen to be selected.

Our coaches play a pivotal role in running our talent and representative football programs. Across the Yarra Magpies and our other squads, we had almost 40 passionate and dedicated Coaches and Assistant Coaches who made each program a success.

Thank you to everyone who helped out this year.

Planning for next year is already underway and we look forward to giving another group of Yarra Junior Football League players the opportunity to participate in our talent and development programs.

CONDUCT

PAUL LANE
Conduct Director

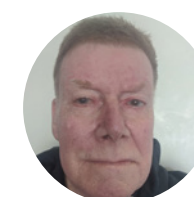

Whilst not perfect, conduct in 2022 from a player's perspective was manageable and many players utilized the early plea process.

The disappointing factor in 2022 was the abuse of umpires and this judging by the efforts of the AFL and other sporting codes, this was not limited to the YJFL. A large majority of offending parties were adult officials who believed that it is okay to challenge, confront and abuse our umpires, the majority of whom are children. We are a junior football league and are kids are playing for fun and without umpires there would be no football.

We (and all clubs) are working over the break to streamline the Tribunal process to ensure just and fair outcome occur for all parties.

I wish to thank the Tribunal Members who are all volunteers with immense football knowledge and are passionate about having a safe league for our children to play in. A big thank you to Brad and his team who administer the Tribunal process.

We look forward to a better Conduct season in 2023.

UMPIRES

DAVID HANNAN

Umpiring Manager

After two COVID affected seasons, it was fantastic to get through a full season of YJFL football.

The YJFL umpiring department navigated through some significant challenges pertaining to retention and development this year, and the league is grateful for the hard work of the umpire managers and coaches to ensure success.

In 2022, Umpire Manager David Hannan was supported by his new Umpire Administrator, Ben Lefebvre. The league transitioned to PlayHQ in 2022, and whilst there were challenges, it is a credit to Ben and the wider umpiring group for the successful transition this season.

The preseason began in February with excellent numbers attending the two Come and Try nights. Thanks to our new umpiring partner BJS Insurance, the league was able to implement a successful recruitment strategy by providing all new YJFL umpires with full uniform and a whistle.

Our umpire coaching panel, led by Jon Thiele, John Taylor, Ben Thiele, Harry Wray and their assistants, deserve our thanks for providing umpires across the league with high level coaching and passionate feedback.

The YJFL would like to extend thanks to the AFL and AFL Victoria for their continued support this

20

season. We were incredibly fortunate to have a number of umpiring activations throughout the season.

During Community Umpiring Week, we welcomed AFL umpires Brett Rosebury, Andrew Heffernan, Lachlan Rayner and Michael Marantelli to training. Heffernan—a former YJFL umpire—would help officiate an U14 mixed match between our YJFL teams.

47 of our umpires also had the once in a lifetime opportunity to umpire a halftime grid match at an AFL or AFLW match this season.

The league would like to make special mention to former AFL umpire and current YJFL parent, Steve McBurney, who joined the YJFL umpire ranks this season and helped with recruitment and mentoring of umpires throughout the season.

Our special thanks to Park Orchards NRPJFC and Camberwell Sharks JFC for hosting umpire training at their respective venues throughout the season.

The YJFL umpiring department is grateful for the continued support of our clubs and their members throughout the season with parents, siblings, officials and many more assisting with umpiring whenever there were shortages.

Congratulations to all umpires for their hard work and success this season.

See you all next year for a bigger and better 2023 season.

AFL VICTORIA

MATT YOUNG AND ALEX FEDERICO PARTICIPATION COORDINATORS

The YJFL affiliated Football Development staff saw some change throughout the 2022 year where a new structure saw Alex Federico transition from the Participation Officer role into the Participation Coordinator role to co-manage the region with existing staff member Matt Young. Tilly Hardy also transitioned into the Participation Officer role from within the Game Development team.

Throughout the year the new AFL Schools Program 'Primary Play' promoted football to 82 Schools. These programs served to build awareness and connections to football clubs and Auskick Centers for students.

Throughout the year multiple programs were run across the region where we introduced an U7's competition to create a pathway for Auskickers to transition into their affiliated junior club.

This competition ran for four weeks giving the U7s participants an idea into what competitive Junior Footy is like. We had just under 50 teams and over 480 participants participate in this program. We strongly encourage clubs to continue to work closely with AFL Victoria Development staff to ensure all YJFL Clubs are represented at Under 7s level in 2023.

Throughout the year we ran our 'Footy 4 Fun' programs with junior clubs. These programs are an extra session for participants to get involved with while having fun and progressing their footy skills. Female participation continued to grow this year through our Female Footy 4 Fun programs which we look to continuously build in season 2023.

At the beginning of October our Social Hubs commenced with our Junior X competition targeting both boys and girls from YJFL clubs. We had an overwhelming 485 participants which resulted in 45 teams.

We are super excited to build again for the 2023 season in what a successful year it was this year!

MARKETING

SUE ELLEN MACKINTOSH
Marketing Director

The YJFL continued to engage through Instagram, Facebook, LinkedIn, and email in 2022 with new and exciting digital content. We saw significantly higher engagement levels and follower growth across all digital channels which supported our overarching communications strategy.

This season, our focus was to expand our communication strategy and utilise our relationship with our digital partner, GameFace, to develop high-quality content and to improve our reach and engagement across multiple digital platforms, which was successfully achieved.

GameFace

As our exclusive digital partner in 2022, GameFace provided the YJFL with a variety of content options to help promote the league.

GameFace's high-quality, live-streaming service covered 127 season 2022 games including multiple Grand Finals with live scores and commentary. All games were uploaded to their digital hub, ClubZone Live, allowing access to match footage at any time for YJFL families and supporters. GameFace also provided digital support for many of our major events including our Representative Games, the Metro Junior Development Series and our YJFL Presentation Night.

GameFace assisted with social media content

creation and graphics, and their photography partner, Frankie, provided the league with weekly photos to use across our digital channels. Both GameFace and Frankie played a vital role in our first YJFL Media Day where we invited players from each club to Ford Park to help us create content to use on our digital channels throughout the year. The contribution made by players was exceptional and something we plan to develop further in 2023.

Marketing Campaigns

A significant achievement in 2022 was the implementation of several marketing campaigns that allowed us to effectively distribute important league communications to our clubs and stakeholders.

Each of these marketing campaigns was supported with email marketing and designated digital content in order to ensure the best possible engagement with our target audience.

In 2022 we focused on four primary campaigns.

- *Ford Park Friday Night*
- *Our Women in Yarra*
- *Umpires*
- *Conduct*

The 'Our Women in Yarra' campaign focused on promoting women in our league and industry and using our digital reach to share their stories. The campaign was highlighted by our 'At the Yarra Round Table' recorded discussions where special guests including

AFLW players, female coaches, club presidents and board members discussed football, sports administration and how their involvement with the YJFL has impacted their careers both football and professional.

Each of our campaigns had a carefully considered marketing strategy and objective. Our Umpire Campaign focused on recruitment and awareness, whilst our Conduct Campaign was led by our 'Let the Kids Play' slogan and was supported with a video and important interchange posters.

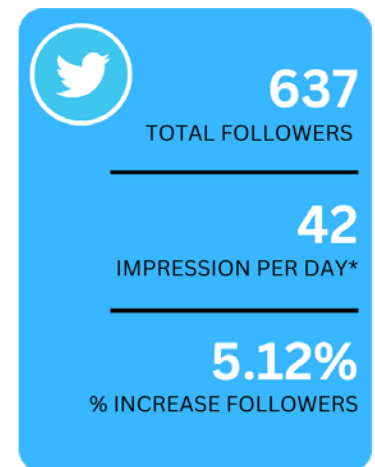

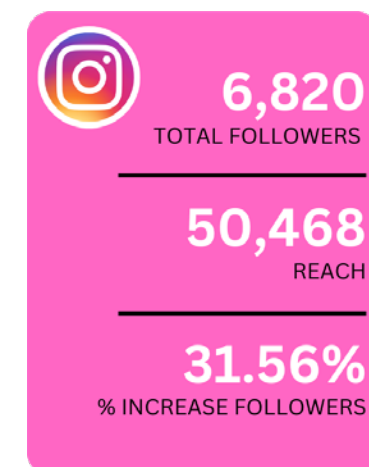

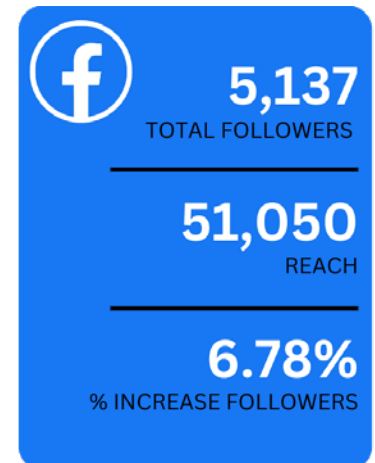

Digital Growth

Our primary social media platforms all experienced significant audience growth year on year with our total following across all platforms increasing by over 30%. Instagram saw significant growth in followers at almost 32%, while Facebook and Twitter also saw growth in both follower numbers and impressions.

The YJFL also expanded its digital footprint to include TikTok, and we are excited to see how we can expand the use of this social channel in 2023.

In 2022 we have continued to strive to create diverse and engaging content which will expand our audiences across all our channels and we look forward to continuing this growth into the 2023 season and beyond.

LEAGUE PARTNERS

The YJFL is aligned with several organisations that continue to support our league and contribute to its ongoing success.

In 2022, we welcomed new partners and strengthened relationships with existing partners to deliver several key campaigns that supported the growth of the game and engagement with our community.

GameFace

As the league's exclusive digital partner, GameFace provided the YJFL with a bespoke digital service that included streaming, photos and graphics for all fixtures and key events throughout the season.

Their live streaming service was provided for 127 games throughout the season (including finals and representative football) with matches uploaded onto their streaming platform, ClubZone Live.

Victorian Responsible Gambling Foundation (VRGF)

The YJFL continued its partnership with the VRGF in 2022, and this year the league was proud to help launch Love the Game Month with the help of the Whitehorse Colts at Springfield Park in May.

Throughout the month of May, several YJFL clubs showed their support for Love the Game and helped spread awareness about the risks associated with sports gambling.

Transport Accident Commission (TAC)

The YJFL once again partnered with the TAC to help spread awareness about the importance of safety on our roads.

In July, our YJFL clubs wore blue armbands as part of TAC Road Safety Round showing their commitment to road safety.

The YJFL is extremely grateful to all those organisations who have aligned with us and we look forward to continuing our relationship into the future.
